

POWERSPORTS^U OFFERS DEALERS ADDITIONAL INCENTIVES

If You Like Swag, “Like” Us On Facebook!

As a current PowersportsU student, we hope you like free education, or just like free swag. If you like what PSU delivers, be sure to “Like” Powersports University on Facebook. Just pass any three courses between November 1 and December 31, 2012 and we will give you the shirt off our back.

Okay, not literally. However, random dealership personnel will be eligible to win new shirts from the likes of Renthal and Cycle News (including the old school Motocross Cat retro design) by “Liking” us. These shirts are above and beyond the normal “Earn As U Learn” swag already awarded to PowersportsU graduates. Just click on www.facebook.com/PowersportsU.

Education is an ongoing process rather than a one-time event, so we decided to sweeten the deal for the holidays... not to mention the fact that we really “Like” better trained, more knowledgeable and professional dealership personnel!
