

PSU Public Service Announcement:

Opportunity Knocks... Here Is Your Chance To Work At Mustang Seats!

Mustang Motorcycle Products, headquartered in Three Rivers, MA, manufactures and distributes the highest quality, most comfortable replacement motorcycle seats. Since our inception in 1980, we have grown to become the worldwide leader in motorcycle aftermarket seat production.

Mustang Seats has a unique opportunity for a Director of Sales with a proven track record in developing and executing a sales strategy.

Reporting to the General Manager, the Director of Sales is a leadership role responsible for revenue generation. The successful candidate will create sales strategy to drive revenue from existing accounts as well as develop new growth opportunities. The Director of Sales is part of the Leadership team and is responsible for establishing sales plans, building and maintaining a high performing sales team and directing the overall sales strategy of the company across the business.

The ideal candidate will have proven success leading sales teams and sales in the powersports industry with a minimum of 10 years experience. A BS degree is preferred. The ability to travel both nationally and internationally is required.

Interested candidates may forward a resume to: careers@mustangseats.com
